- 1. On 1 April 1955, an intensified recruitment campaign for the RVP was started in East Bullin. Three-man commissions including one representative each of the KVP, the FDJ and the SED factory group, visited industrial enterprises and private homes. They had lists contraining the names of all males of the 1933 through 1937 classes. In the activities they bring pressure to bear. They are for out to members of the FDJ and of SED factory groups that the rice with the KVP obligatory, and they threaten those our the the EV with expulsion from these expanisations. ald result from such a measure. The was pointed out that gr s first vicited anationalised enterprise and administration agontico.
- 2. Incidents are said to have occurred at Kabelwerk Oberspree and VEB Elektrokohle at Berlin-Lichtenberg when some of the young workers refused to sign contracts for voluntary service with the KVP. The shop trade union management of Kabelwerk Oberspree refused to bring pressure to bear on the workers involved because, according to them, such pressure would only be justified if universal military service had been decreed for the GDR.
- In East Berlin, only members of the SED factory groups are to join the KVP, where people not belonging to the SED are to serve with the regular police. This difference was not made in the Zone.

25X1

Comment. The present report shows that the recruitment campaign for the KVP is to be intensified. The CER region appropriately believes it inadvisable to promulgate universl military service at the present time.
